Configuration and usage guide

THE IDEA

A circular cup reads as a planet and the letter O. Its diagonal orbit adds motion.

The small satellite suggests exploration; the cup handle keeps the cafe visible.

CONFIGURATIONS

Horizontal lockup: use for website headers, menus, and signs.

Icon-only: use for social avatars, small stickers, and square placements.

Favicon: use the dark rounded tile; display at 16, 32, or 48 px.

For dark backgrounds, use the white-and-mint reverse logo.

SPACE + SCALE

Clear space: keep at least one satellite diameter around the full logo.

Full lockup minimum: 220 px wide on screen or 45 mm in print.

Standalone icon minimum: 32 px. At 16 px, use the favicon only.

Keep the SVG proportions. Do not stretch, rotate, add effects, or recolor.
